Subject: Fw: Copart, Inc - Renewal Property Specifications Submission

Monica: This is a renewal for Crum and Forster--put together by Blanchette last year. Hope you can continue on this good risk.

Copart, founded in 1982, provides vehicle suppliers, primarily insurance companies, with a full range of services to process and sell salvage vehicle through auctions, principally to licensed vehicle dismantlers, rebuilders, repair licensees and used vehicle dealers.

Attached below please find the Property Specifications Submission for Copart, Inc. effective 10-01-04.

Values have increased however, top location is still below \$25,000,000 and spread of risk remains over numerous locations remains constant.

Time frame will be tight. Will need your quote by 09-10.

Please let me know if you need anything further to proceed.
